

Welcome to Estia Health Burton, our aged care home located north of Adelaide

Estia Health Burton is a uniquely designed home, with eight small community residences set in an arc overlooking lawns and backing onto Karuna Park Wetlands. Located on the junction of Waterloo Corner Road and Bolivar Road, it joins our Estia Health Salisbury and Salisbury East homes to offer a choice of quality residential aged care services to the local community.

The experienced team of clinicians, care and hospitality teams look after all aspects of a resident's care including **clinical**, social and overall wellbeing and offer **dementia** and **palliative care** services, which can be accessed for **short-term respite care** or a **longer stay**. Daily **activities** are tailored to residents' interests and hobbies and our onsite chef and his team cook meals fresh daily, based on residents' preferences.

Each small community provides spacious lounge and dining areas, access to an onsite hairdressing salon, library and games room with a pool table. The home overlooks green space, giving residents the chance to tend the plants and vegetables and enjoy shaded outdoor sitting and entertaining areas.

Location

“Beatrice came in for respite care whilst her husband was in hospital having knee surgery. She had a wonderful time and thoroughly enjoyed herself. The team were marvellous, keeping her mind off things. She has told her husband – if it comes time for her to move into a nursing home, that is the one she wants to move to.”
