

Welcome to Estia Health Yarra Valley, our aged care home located in the Yarra Valley, regional Victoria

Estia Health Yarra Valley is an elegant home with stunning mountain views, sitting on a quiet residential street in easy walking distance of Yarra Junction Shopping Centre, services and cafes. The home has strong links to the local community and a warm, friendly team, many of whom have been at the home a number of years.

The experienced clinicians, carers and hospitality teams look after all aspects of a resident's care, including **clinical**, social and overall wellbeing, and offer **dementia care** services, which can be accessed for **short-term respite care** or a **longer stay**. The home's Memory Support Unit provides a safe environment for residents requiring additional support.

Rooms are single, or companion for couples, with ensuite or shared bathrooms. Most look out to the gardens, courtyards or surrounding mountains. There's a hairdressing salon, a library, onsite chapel and a choice of several living and dining areas, where residents come together to enjoy freshly-prepared meals or participate in the home's varied lifestyle program, which includes regular visits from local volunteers, kindergarden and school children.

Location

“Thank you for the wonderful care you took of Colin for almost five years. He loved you all. It was heart-warming to know Colin was always in such good care. We could not have wished for better. ‘Mr Wilson’ would have been so proud, that a symbol of his love for you will be flying high for hopefully, many years to come.”
